Qualified Applicants

Any club, group, business, organization or individual can apply for funding from the ELRL Community Grant Program. To be considered, the applicant must reside, service, or operate in Elliot Lake.

Selection Criteria

ELRL will consider a broad range of requests. Priority will be given to projects or activities that:

- Promote Elliot Lake as a place to live, work, and invest
- Enhance the community, either economically, ecologically, or aesthetically
- Leverage funding from other groups and agencies
